Policy on Refusal of Entry

The Organizing Committee of an event may refuse the entry of any competitor or dog for just cause should the Committee view that participation by the competitor or dog could be prejudicial to the sport. However, in such case, the Committee must notify the competitor in writing upon receipt of entry, but in no case, more than three days following the event closing date for acceptance of entries. The burden of responsibility for the appropriateness of such action rests solely with the host group and its Organizing Committee.

NSF Check/Credit Card

Any check or credit card that is charged back by the bank or other financial institution may be assessed a service charge of up to \$40 per incident at the discretion of the host group.

Returned checks or credit card returns do not constitute a valid entry. Amounts shall be paid within 30 day of postmarked notice of the returned payment if such date follows the event date. Any fees not received within 30 days of notice will result in cancellation of event results for all classes related to the entry for which payment was made. No reinstatement of results is possible, and all awards must be returned within 10 days of notification or the dog's registration may be suspended pending restitution.

Any unpaid fees or shortfalls must be paid prior to the start of the event, or entry is canceled without recourse.

Refund Policy

There shall be NO REFUNDS for entries withdrawn after the closing date for acceptance of entries, for absentee, dismissal from the event as a result of disciplinary action, dismissal from a class, or for any other reason. Also, no entry fees will be refunded if the event cannot open or be completed by reason of riots, civil disturbances, acts of terrorism, fire, "act of God", public emergency, strike, or any other cause beyond the control of the host organization.

Next-Day Move-Ups Allowed At This Event

Competitors earning a qualification during the Event that is needed to complete a title may advance their level THE NEXT DAY at the same event, i.e. move-ups on consecutive days ARE allowed.

Competitors are responsible for keeping accurate records of their qualifying scores and the judges from whom these scores were earned prior to this event to ensure that the dog is eligible to move up based upon scores earned at this Event. Competitors are advised to confirm scores earned with the scorekeeper and judge at the conclusion of a class to ensure the qualifying score has been accurately calculated and awarded in accordance with regulations. If for any reason it is determined that the score or previous scores were inaccurate, making the entry ineligible for the higher level class, any results (including awards) shall be forfeited and the entry will be deemed invalid without refund or other recourse.

Move-up forms supplied by this event must be used to notify the secretary BEFORE she leaves the site the day on which you earn your title.

Express & Overnight Entries

Entries sent by Fedex, Express Mail or other courier service will only be accepted if the waiver allowing delivery **without signature** is signed. The club will not be responsible for deliveries delayed if a signature is required.

Check-in & Measuring

Dog Measurements & Certification

All dogs not jumping 24" in the Championship Program or 20" in the Performance Program at local and regional events must be measured unless they have permanent USDAA or World Cynosport Dog Registration status or a temporary card with 3 signatures as required by the regulations, making the dog eligible for their jump height (prior to 3 years of age). Please note that only dogs 18 months of age and entered in the event may be officially measured.

EVERYONE MUST CHECK IN!!
PLEASE SEND A COPY OF YOUR PERMANENT HEIGHT CARD TO EXPEDITE CHECK-IN...

SUNDAY

CHECK-IN AND MEASURING BETWEEN 7:00-7:45am.

FIRST DOG ON THE LINE NOT BEFORE 8:00am.

A Dog that Measures Up at Check-In - May Run FEO

If a judge's measurement of a dog at check-in establishes that the dog is ineligible for the height class in which entered, the competitor may

- Run the dog at the higher height in the same program based upon the measurement,
- Modify the entry to enroll the dog in the proper height class in the Performance Program,
- Modify the entry to enroll the dog in the proper height class in the Veterans Program if the dog is 8 years old
- Run For Exhibition Only (FEO) at the next lowest jump height, but only in the program entered.

FIX AND CONTINUE

Fix and Continue will be allowed at this event.

The USDAA Policy Statement on Training in the ring or "Fix & Continue" has been adopted for this event and has hereby been incorporated in its entirety by reference. Competitors are expected to familiarize themselves with this policy, which can be found on the USDAA website.

Fix & Continue during a competition run generally provides for repeat of an obstacle at handler's discretion under conditions set forth in the Policy Statement. When discretion is exercised to utilize the Fix & Continue, their score will be recorded as an elimination and the maximum course time will be set to 60 seconds. This practice may be used only once in any Standard, Jumpers or Relay class (including similarly styled tournament classes at qualifying events). The competitor must continue working the course in flow, while "fixing" and "continuing" on the course.

BIS POLICY

Bitches in season will be allowed to compete at this event with stipulations as listed below. Failure to follow the stipulations listed below will result in immediate dismissal from the trial and show grounds with no refund.

1. Competitors intending to show a BIS must inform the Trial Secretary prior to the start of the Trial Day.
2. BIS must wear visible panties (of a color that makes it readily apparent they have on panties) at all times on the show grounds except when pottyng. This includes while at the warm up jump, while in the ring and on the way to the designated potty area for BIS.
3. BIS will be noted on the gate sheet as "BIS" and the **competitor will be responsible for moving their dog on the GATE SHEET (and Scribe Sheet) to run as the last dog in their jump height.**
4. BIS will be kenneled ONLY in the designated area or in the owner's vehicle.
5. BIS will be pottied only in the designated area.
6. Competitors showing their BIS will be expected to exercise good sportsmanship in limiting exposure of their BIS to other dogs and limit their movements around the show grounds, in particular in and around the IN/OUT gates of the ring.

Other General Provisions for Entry

Submission of Entries with Secondary Move-Up Date

All entries or cancellations must be received at the Secretary's address no later than the closing date, after which time no entries will be accepted or cancelled. For entries received by the closing date, the level of entry in a given class may be advanced by notifying the Secretary in writing via email by the "Secondary Closing Date". No other changes, cancellations or additions may be made after the initial closing date.

To be accepted, entries must be complete, signed (by parent or legal guardian if handler is a minor), received by the closing date and accompanied by the correct fees and include a valid USDAA registration number on a completed registration form.
